Non stop Fun

This week was filled with so much fun and enrichment. We celebrated Red Ribbon Week with plenty of fun, games and learning every day. Students were able to participate by dressing up on the theme days and committing

to be drug free. Monday was Pink day, Tuesday was Disney Day, Wednesday was Farmer day, Thursday was Pajama day and Fri-

day was Wild cat day. It was a huge hit. Everyone on campus had so much fun that many were asking for another week of dress up days. #schoolspirit

Mobile Dairy Classroom

We also got a visit from the mobile dairy classroom this week. Betsy Sue visited Castle Rock on Wednesday morning. We learned about the healthy food choices, the parts of a cow as well as the way she eats and makes milk. Did you know that a

cow has 1 stomach but it is broken into 4 parts? Did you also know that a cow chews its food, swallows it and then sends it back to it's mouth to chew on it again before it's sent to it's stomach?

Book Fair

With all the great stuff happening this week I believe that the best part about it all was the book fair. Mrs. Rochin, with the help of some retired teachers Mrs. Fraser and Mrs. Hardcastle, was able to organize an amazing and successful book fair. There was so many books to choose from. Students were delighted with the selection and the opportunity to buy books to take home. #proudprincipal

This is your friendly neighborhood Principal, Mr. Trevino. Have a great weekend!
