Love of Country

Last week many of our Castle Rock students were able to learn from 8th Grade US History students as they taught us about the history of the music in the Armed Forces. This "Love of Country" project based learning activity was a culmination of weeks of planning and hard work done by some amazing Jr. High students. It was such a treat to have them share with us the rich history of our country. Their presentations included power point, lecture and some singing of the old armed forces tunes.

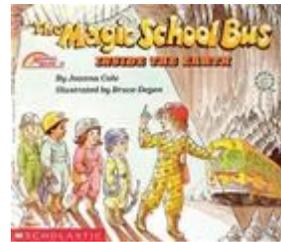

These former Castle Rock students were so happy to give back. Way to go Mrs. Hengst and Middle School students. We were so happy to have you.

Accelerated Readers

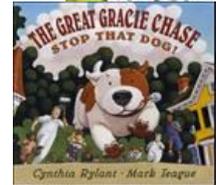

Castle Rock's book fair was open 4 days conducting sales to students. We sold 147 items to students and many teachers made purchases to enhance their classrooms or personal libraries at home. With our profit we were able to keep \$1500.00 worth of books to add to the library shelves and to use as book giveaways and Accelerated Reader awards. We were able to add additional

fiction and non-fiction titles to our CRES library as well as many other supportive books to assist all of our students with their reading. Castle

Rock will host a spring book fair as well. Happy Reading!

Thank you letters

Announcements:

- * Nov. 14th: End of Trimester 1
- * Nov. 20 - 24: Thanksgiving Break
- * Nov. 23rd: Thanksgiving
- * Dec. 5th: Instructional Rounds

Mrs. Campbell's class was treated with a special gift from her long time friend and author Jeff Minich. Jeff Minich donated one of his books *Bath Time*, to each one of her students. The students were so thankful. To show their appreciation for the kind gesture her students are writing thank you letters to him. Thanks Jeff Minich and Mrs. Campbell for creating these unique learning experiences for our students. What a great way to end another wonderful week of learning and fun at Castle Rock.

I'd like to take this time to personally thank each and every team member at Castle Rock for giving students a reason to come back each and every day. Promoting the love of learning will forever positively impact our students. Enjoy your 3 day weekend everyone and don't forget to thank a Veteran.

This is your friendly neighborhood Principal, Mr. Trevino. Until next time...
