

Wildcat Write Up

Volume 1, Issue 15

12/08/2017

Tech Museum

85 Castle Rock students who attend the after school program took a trip to the San Jose Museum of technology. They experienced hand-on exhibits to learn and feel what Science and Technology are all about.

Breaking records

During our weekly morning greeting today Mrs. Rochin handed out 274 reading rewards to Castle Rock students who are putting in lots of extra time reading some amazing books. One student in particular has already earned 200 points. The joy on students faces when checking out books is priceless. Keep it up boys and girls. You put the rock in Castle Rock.

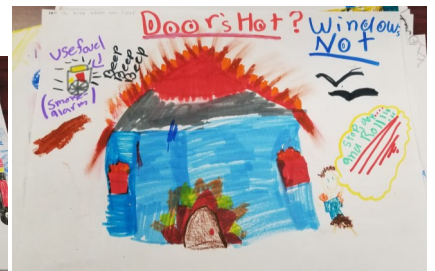

It's getting hot in here

Announcements:

- * Dec. 14th: Annual CRES Winter Program
- * Dec. 15th: Early Release
- * Dec. 16th- Jan. 7th: Winter Break

Fourth grade students finished up their fire safety posters for the Woodlake Fire Department Poster contest. They were submitted Monday. Here's a sneak peek of some of the entries. Great job students!

This is your friendly neighborhood Principal, Mr. Trevino. Have a great weekend everyone!
