Welcome Back

Welcome back Castle Rock students and staff. I hope you had a refreshing break and spent some time re-energizing. With our batteries fully recharged it's time we continue to blast forward with learning and hard work. It was such a great first half of the school year. I hope that we can continue to make this the best year ever.

Upon our return to school we were greeted with some rain early in the week but that didn't stop any of us from having a little fun during recess. Students were provided a chance to walk around inside the cafeteria and encouraged to dance along to some of the tunes playing on the speaker. It was great to get some rain and we are looking forward to getting some more. Until then we will enjoy our time outside, the clouds and the cool weather.

Poster Contest

The Woodlake Fire Dept. paid a special visit to Castle Rock this morning to announce our 4th grade fire safety poster contest winners. The firefighters had a tough time choosing the top 3 because so many of the posters were really good. Congratulations to the following students: 3rd place was awarded to America, 2nd place recipient was Navpreet and our 1st place winner was Samuel. Way to go students!!!

Students of the Month

We held our monthly student recognition for outstanding students Friday. Plenty of students are doing outstanding things on our campus that it proves to be quite the task to choose just a few each month. This month students were recognized for the Pillar of CARING. Great job students. Keep up the great work.

Announcements:
