

Wildcat Write Up

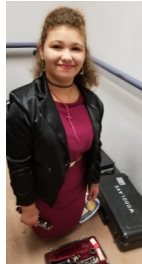

Volume 1, Issue 20

02/02/2018

Music is Life

Last night's 5th grade band performance was just the beginning for most of our talented students. As students performed the smiles on their parents' faces gleamed with joy and pride. Special thanks to Ms. Ruby for putting this concert together and preparing our students for their performance. We look forward to their next performance in May.

And the winner is...

Over the last 2 weeks Castle Rock students have been competing to become the Castle Rock Spelling Bee champion. The Grade 4 and 5 finalists battled it out earlier today. Students were asked to spell words such as cypher, committee, aerospace, nausea, segregation and improvise.

Congratulations to all 6 finalists. (Pictured right to left) 6th place: Bianca Hernandez, 5th place: Thyara Velasquez, 4th place: Noemi Sanchez, 3rd place: Lisseth Raya, 2nd place: Jennifer Salinas and our 2017-2018 Castle Rock Spelling bee champion is none other than Aileen Hernandez. The top 2 students will move on to the county competition in just a few short weeks. Great job everyone and Good luck.

Announcements:

- * Feb 5-9th : Book Drive
- * Feb 9th Student of the Month
- * Feb 13th: Picture Day
- * March 3: My Plate Color Run

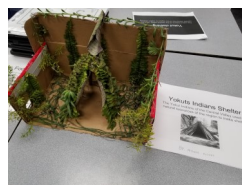

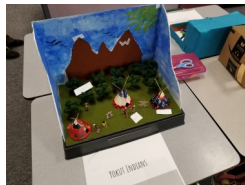

GROUND HOG DAY

Project Based Learning

3rd graders spent some time learning about the Yokut Indians as part of their native American unit. Students researched and created presentations using chrome books and spent time at home working on their diorama projects. The hard work and creativity from some of these projects is to be commended. Great job students and staff.

This is your friendly neighborhood Principal, Mr. Trevino, have a great weekend.
