100 Days

Sea Life

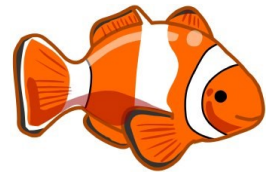

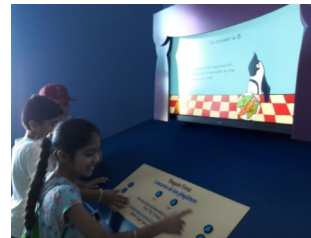

Today, February 9th marks the 100th day of school at Castle Rock. Students, teachers and Admin dressed up to celebrate the milestone. The entire school celebrated this week by attempting to collect 100 books per classroom to donate to the community. Over 6 classrooms collected at least 100 books and most other classes were so close to reaching 100 as well. Way to go Wildcats!

KEEP IT 100

3 4th grade classrooms made their way to the Monterrey Bay Aquarium to learn about sea life and visit the California Mission nearby. There was so much to see, touch and learn about. I'll just let a few pictures do the talking.

Students of the Month

We held our monthly student recognition for outstanding students Friday. Plenty of students are doing outstanding things on our campus that it proves to be quite the task to choose just a few each month. This month students were recognized for the Pillar of FAIRNESS. Great job students. Keep up the great work.

This is your friendly neighborhood Principal, Mr. Trevino, have a great 3 day weekend.
